

INSPIRE RV'S LLC

Company Summary

Inspire RV's LLC is an Idaho limited liability company. Inspire RV's is the result of three former noteworthy and recognized companies; Weekend Warrior, Kit Manufacturing, and Extreme RV's. Inspire RV's is headquartered in Caldwell Idaho and operates from a 15,000 square foot manufacturing facility situated on 27 acres. Our product is a fusion of a Sport Utility Trailer with an appearance of a Tiny Home; two highest demand products in the RV industry.

Inspire RV's is a company born where past legacy meets tomorrow's innovation. Inspire RV's manufactures the highest quality, with the greatest value, and most innovative recreational vehicles in the industry.

Company Ownership

Inspire RV's LLC is owned and operated by Don Day, Ron Blair and Tim Jones. There is a culmination of over 100 years of RV Manufacturing, Operations, and Sales experience between the three owners. They each have immense respect across the industry for their knowledge and character.

Notable accomplishments and achievements:

- Over \$200 Million in annual sales - Weekend Warrior & Extreme RV's

- Featured on the cover of leading national magazines and newspapers - Weekend Warrior
- In 1945 First RV Manufacturing Company in US - KIT Manufacturing
- Largest Manufacturing Company in US building RV's and Manufactured Homes & Park Models (14 facilities) - KIT Manufacturing

INSPIRE RV'S LLC

MANAGEMENT SUMMARY

Don Day, CEO and Principal

Don is a highly experienced business owner and leader with over 33 years in construction and manufacturing of recreational vehicles and manufactured housing. Don has extensive knowledge of the construction process from inception to design to market, and proven success in plant operations, production processes, plant supervision, training, leadership, adhering to OSHA regulations and leading multiple teams to achieve company goals. Don has tremendous respect from his peers and competitors alike.

Ron Blair, Business Acquisitions & Member

With over 40 years in the recreational vehicle industry, Ron is recognized as one of the top performers in the industry thereby generating millions in revenue. Ron has personally orchestrated and participated in over 400 highly successful trade shows throughout the country, displaying the latest in recreational vehicles and tiny homes. Ron is a pioneer and is one of the original Tiny Home manufacturers being featured on the highly recognized HGTV show "Tiny Homes". He is known for his creative and innovative floor plans and designs.

Ron has received several distinguished top awards and media recognition throughout his career and proudly served as President of the RV Dealership Association of Washington State. Ron lives by the "Golden rule" with integrity and honesty in all his dealings creating a win-win for his customers and colleagues.

Tim Jones, VP Sales & Member

Tim has 44 years of RV industry experience in Senior Management specifically in Sales and Marketing. He is a well-respected member of the RV community with deep ties across the US. Also, he is an entrepreneur and former business owner. In 1984 Tim founded Travasak Sleep System, an innovative sleeping product, and was successfully sold to Kellwood Manufacturing, which is the parent company of American Recreation Products. Tim is full of energy and charisma! He has many accolades to his credit and adds immeasurable value to the team.
